OVERVIEW

The Pipeline is an interactive app available to keep all employees connected and up to date on Ergon news.

DOWNLOAD THE DYNAMIC SIGNAL SMARTPHONE APP

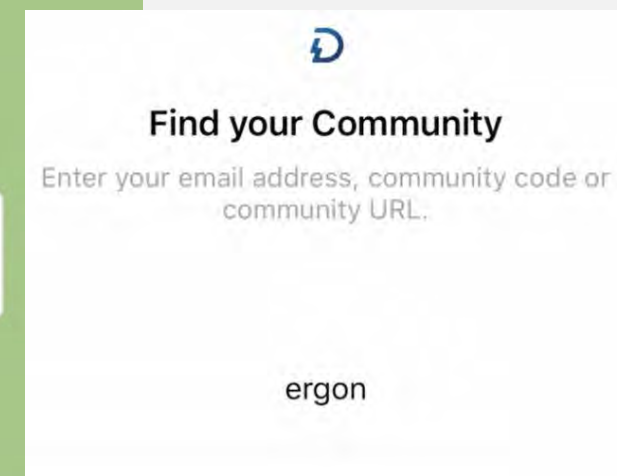

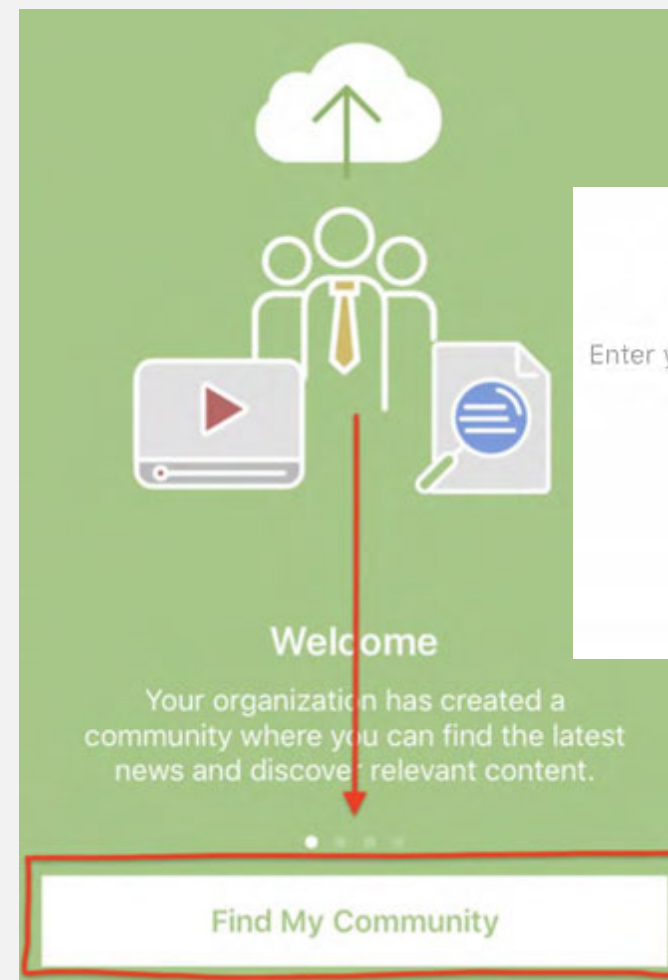

Text **ERGON** to **75189** or search **Dynamic Signal** in your app store to download and open the mobile application, available for iOS and Android.

JOIN THE **ERGON** COMMUNITY

Once downloaded, open the Dynamic Signal app and click the “Find My Community” button at the bottom of the screen.

Your community is “**Ergon**”.

TWO WAYS TO LOG IN

COMPANY EMAIL ADDRESS

If you have a company email address, select "**Sign in with SSO**" and enter your single sign-on network credentials.

(For example: ccrosby@ergon.com, vbjkyser@ergon.com, wvdburdick@ergon.com. **NOT** your email address.)

Sign in with your organizational account

Enter your employee credentials.

Sign in with SSO

EMPOWER EMPLOYEE ID#

If you **do not** have a company email address, use your Ergon EmPower employee ID and set up a password.

Sign in directly if you don't have an organizational account

Enter the email or username and password you created.

WANT TO SUBMIT YOUR OWN POST?

We'd love for you to use the Pipeline to share positive things happening in your department or facility with the rest of Ergon. Following are helpful tips for posting on the platform.

BE SURE TO:

Give your post a title.

Add a description.

Use a photo when applicable.

Select a category.

THINGS TO KEEP IN MIND:

Keep it positive!

Follow the Ergon Social Media Policy.

Turn your phone sideways when recording video.

Check the background of your photos/videos to make sure you are not posting anything proprietary.

Proofread your post before submitting.

Note: All posts will be vetted by Communications prior to publishing.

THANK YOU
